

Product Information

Product	Code	Product Range
Spray Barrier	1400-000-X00011	Accessories

Description

The Corpro Spray Barrier protects the eyes and face from most droplets and aerosols and prevents contact between hands and face. The Spray Barrier simply attaches onto the Corpro HM1400 half mask and F1100 range P3 R filters without the need for adhesive and provides a layer of protection over the mask exhale valve.
